July 3, 2022

Dear Friends,

Here we are on the brink of Independence Day, "The Fourth of July." Until America's Declaration of Independence, the idea of "Unalienable Rights" granted by our Creator was truly an alien concept. Human rights that are taken for granted, at least verbally, around the world, were totally unheard of, or even undreamed of, until The United States of America set forth these principles of Liberty in our Founding Document, July 4, 1776.

There have been those who claim the document was signed by most of the Founders on July 2, and other claims about early August, but the Founders themselves referred to July 4, as the official day, and that is the date in the document.

Ironically, last month, the month of June was traditionally a month of weddings and BRIDES, but the radical left has tried to commandeer the month for a celebration of homosexual PRIDE. Still, God's truth endures to all generations! (Psalm 100:5)

UPDATES and NEWS: A box we sent to Hellena in Papua New Guinea last September has arrived at a mission station after 8 – 9 months! Praise the Lord, it got there. We still do not know for sure if Hellena has received the news of its arrival. Now we'll get one off to Rachel.

We are beginning a plan, a campaign, to return to Papua New Guinea toward the end of 2023. This involves some major preparation, expense, and attention to many details that didn't exist before.

We need to build the whole plan on sure foundations of God's guidance and financial stability. There are also more political issues such as Covid restrictions and paperwork. Please help us pray about these initial plans. **We appreciate all of you who have helped us carry on out various ministries during such uncertain times. Your giving is helping sustain our present ministry activities, as well as helping prepare the platform for the next PNG outreach. Thank You!**

We will have more details of the plan and needs in our next newsletter.

Did you know you can contribute instantly through PayPal, or Zelle. Zelle is instant and has no fees. Use this email: david@eagleswings.net, or phone number 304-661-2534.

Also, we are continuing to expand our YouTube channel. Christian pollster and statistician George Barna says that only about 6% of professing Christians actually have a biblical worldview. That means "to see all of life from God's point of view." Most of our videos are geared toward basic fundamental Christian beliefs, growth in knowledge, understanding, and the Wisdom of God.

We have completed a 10-video series focused on "Seven Ways God has revealed Himself to Mankind." Right now I am working on a shorter series, just trying to help people realize the relevance of the Word of God, in these present times.

YOU can actually help spread the Gospel worldwide by viewing these videos, praying for their effectiveness, sharing their links, putting likes, comments, and subscribing to our channel. The more interaction a YouTube channel receives, the more it will pop up for other viewers to see. Of course if a person is searching for it, or similar content, they can find it that way. We are also uploading more music, mission activities, aviation flights, etc. Anyone can view them FREE!

These are crucial times for our country, and for the work of God around the world. God's TRUTH always bears fruit, and accomplishes the purposes for which the Lord sends it out (Isaiah 55:11). It is the privilege of all believers to be involved in the harvest of souls, the training of workers, and the equipping of the saints.

Your prayers, giving, and actively sharing God's Word is making a difference.

Love in Christ Jesus,

David and Crystal Hersman

"Frankly, the culture is impacting the Christian church and the Christian faith more than the Christian church or Christian faith are impacting the culture."

—George Barna
